Class 6

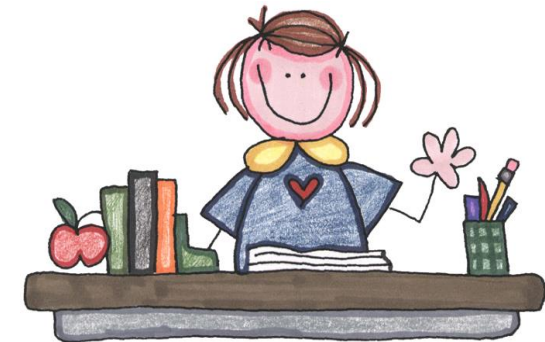

Wavertree CE School

Miss Vaughan

Mr Durie

Miss Jackson

Mrs Makepeace

Half Term 4 (3 wks)

English – Invention & Enterprise

The Invention of Hugo Cabret (3 weeks)
Diary, report, journalistic writing, letters, commands

History – World War II

Children will learn when and why World War II began and find out about the key individuals and countries involved. They will discover all about evacuation; learn what it was like to live with food rationing and explore the contribution made by women to the war effort. They will learn important facts about the Holocaust and investigate events that were key turning points in the war, such as the Battle of Britain and the German invasion of Russia. Studying World War II will help children to develop their investigation and evaluation skills; learn to organise information chronologically and understand how past events have helped to shape the world we know today.

Music – A New Year Carol

Children will listen to and appraise 'A New Year Carol' by Benjamin Britten. They will learn about the interrelated dimensions of music through games, singing, performing and sharing.

Science – Electricity

Children will learn to represent circuits using symbols in a diagram. They will learn about Thomas Edison and Nikola Tesla. Children will get the opportunity to develop their understanding of what electricity is and how to measure it.

Computing – Online Safety

Children will continue to take a more in depth look at a variety of online safety issues. They will be introduced to the idea of the internet, as a type of media, and how it can shape our ideas through stereotypes. Children will be given ways to deal with online content that they find worrying or even believe to be dangerous.

Curriculum Web **Year Six Half Term 4 (3 wks)**

PE – Real PE & Swimming

Real PE (Social Skills) – Children will learn to negotiate and collaborate appropriately. Children will be able to give and receive sensitive feedback to improve themselves and others.

Swimming – To gain confidence in the water, improving style and stamina when swimming on front and back. To be able to swim 25 metres on front and back.

Maths

Week 3 – Algebra
Week 4 – Algebra
Week 5 – Number : Ratio

RSE – Too Much Selfie Isn't Healthy!

Learning to work well with others, being a good listener & understanding that life is more about 'we than me'. Love without action isn't love, it's a thought. By contributing to the lives of others we find fulfilment for ourselves.

French - The children will continue to receive specialist teaching.

Religious Education –

Easter (Who was and is Jesus?)

Children will have the opportunity to stand back and consider 'Who was Jesus?' 'Who is Jesus?' Answer the questions from the point of view of people from Jesus' time.

Miss Jackson, Trainee Teacher, will be working in Year 6 until the end of June.

The Y6 Curriculum will be adapted to plug learning gaps due to lockdown.
